SMS MRC Fee: \$2 per user/month for 200 Messages per month

Example if you have 10 numbers the total will be (200X10) 2000 allowed messages on whole account
 Number of characters in a message should not exceed 160 letters (This is intended for person-to-person messaging)

By checking the boxes below, I agree to the following terms & conditions:

I agree to pay the specified monthly fee based on the selected Use Case for the entire account.

I agree to pay a \$1000 penalty per incident if using any other use case apart from selected.

I agree to pay both the SMS Campaign Registry & SMS MRC Fee.

I agree to pay a \$1000 penalty per incident for Program Evasion.

- Provisioning new numbers to evade compliance: Attempting to use new 10DLC numbers to continue to send SPAM messages if another number is suspended or deactivated
- Snowshoeing: An account may not utilize any technique to spread messages across many source 10-Digit Long Code Numbers, specifically to dilute reputation metrics and evade spam filters
- Approved Content evasion: An account may not send message content, using a 10-Digit Long Code Number and campaign ID that differs from the information provided for an approved campaign service during registration.

I agree to pay \$10,000 penalty per incident if in case I or My Company or Employees is involved accidentally or voluntarily using SMS Campaign for Spam, Phishing, Smishing, social engineering & SHAFT violations (Sex, Hate, Alcohol, Firearms, and Tobacco).

By my signature, I acknowledge that I have read, understand, and agree to the SMS Campaign Registry fee, Monthly SMS fee, Usage, Penalty & Policies.
